

Hayward Library Closed Until Mon. Nov. 20 for public health and safety

The Sherman & Ruth Weiss Community Library will be closed until Mon. November 20, 2017 to take further steps in containing a bed bug problem. All events at the library, including those scheduled in the Meeting Room are cancelled. The library will reopen Mon. Nov. 20 at 10 a.m. as usual.

Two insects were found originally on a chair by the adult area windows. Director Molly Lank-Jones stated, "Our first concern is the health and safety of the public, our volunteers and staff. We have scheduled a reputable pest control company that also will do follow up checks to ensure they are gone." Assistant Director Ann Larson added, "We're fortunate this hasn't happened before. We looked online and saw many listings for library and school closures for the same reason." The library will be open Mon. Nov. 20 at 10 a.m. as usual.
